SANDRA, 11, Sweden

I play table tennis twice a week and every January I go skiing. I play "Home You Go" with my little brother. I sometimes play computer games, but if I play too much, my father gets angry. He thinks it's better if I play outdoors with my friends.

HENRY, 10, Australia

I don't like PE. I don't think I'm very good at sports. I can't run very fast. Or maybe I'm just lazy. I don't care.

JUDY, 11, Israel

I still collect little teddy bears. I keep them in a big box under my bed. I sometimes go cycling. When we have PE at school, I like it when we are in the gym and we do exercises. I go to music school and I play the violin, but I'm not sure I like it very much. I want to do ballet.

JOE, 12, England

I'm crazy about sport. I'm the happiest boy at school when we have PE. I'm in the school football team. I also play tennis and I swim all July when I am at the seaside. I want to do judo but my parents think I need some time to do homework. I'm also a great Manchester United fan.
